**LPE/SAC Business:**

School Update - B. Waufle  
2024-2025 Budget Presentation

\*Introduction of Bayley Ahrens (new campus security specialist). Kelly Southerlin is filling in AN in the meantime.

\*\*i-Ready scores Winter 2023: reading 45% met or above grade level; math 28% met or above grade level. Staff had discussions with students about impact of not trying on i-Ready (ie. rushing and just filling in answers)

\*\*enrollment numbers: May 2023 - 396  
August 2023 - 428  
Jan 2024 - 445

Anticipated August 2024 - 475 (district projected 496)

\*\*Next year add additional kindie, 3rd, 4th and 5th classes—another mobile will be placed at LPE (already 60 kindies enrolled for next year and LPE hasn't even had a kindergarten night—planned for March 7). Admins currently looking at open enrollment as well.

\*\*Budget focus for next year: small class sizes (adding staff), roles of AP, PLS and RTI have been very helpful this year, potentially adding a fourth specials rotation and continuing to have 1:1 technology:student are top considerations  
Currently doing a equipment inventory (desks, tables, chairs, etc)

Preschool will only have 2 classrooms next year instead of 3.

Student Lighthouse - L. Merritt
